

REPORT OF THE GLOBALEX MANAGEMENT COMMITTEE MEETINGS THIRD QUARTER OF 2020

The Globalex Management Committee (MC) met virtually on 8 July, 17 August and 15 September. This report summarizes the major items discussed and the actions taken, combining the contents by topic.

Representatives. Sarah Ogilvie has taken over from Ed Finegan as the representative for DSNA. Sarah is based in Oxford, UK, which will facilitate bridging across time zones for online meetings where all representatives can be present.

Registration. All the associations signed the forms necessary for registering Globalex as a non-profit organization, and Globalex has now been formally registered in the Netherlands with the help of Tanneke Schoonheim.

Regulations. Following registration as a legal entity, the associations have agreed upon and signed a set of regulations defining the aims, actions and management of Globalex.

Conferences and workshops

- Afrilex have not yet made a decision about rescheduling their 2020 conference in 2021, so it is not yet known if they will host the Globalex workshop on pedagogical lexicography.
- Asialex have postponed their 2020 conference until 12 – 14 June 2021.
- AustralEx 2021 will be held virtually 1 – 2 September and will include a Globalex workshop on lexicography and neologisms.
- DSNA 2021 has been cancelled and may be replaced by a one day virtual meeting.
- eLex 2021 was planned to take place in Brno but may be cancelled or held virtually. Proceedings will still be published, with or without the conference, so a call for papers will go out.
- Euralex has been postponed to 7 – 11 September 2021, with proceedings published in 2020 and 2021. Selected papers from the associated Globalex Workshop on Lexicography and Neology will be published as a special issue of the *International Journal of Lexicography* in 2021, and a partial workshop will be held virtually on 4 November 2020.

In memoriam. Tanneke Schoonheim (1965 – 2020), of the INT (Institute for the Dutch Language) and Executive Secretary of Euralex, passed away in August, and her warmth and generous expertise will be greatly missed. An obituary is available on the Globalex website: <https://globalex.link/media/>.
